	Printed	Should be
Page 29 line 11	From the map on page 20	From the map on page 27
* Page 31 line 11	Идите налёво! - "Go right!"	Идите налёво! - "Go left!"

Page 120 - The genitive plural

The example "У Питера много овощёй" should be given lower down, under the heading "Masculine nouns ending in -ж, ч, -ш or -щ"

This is because the (rarely used) nominative singular of the word for "a vegetable" is "овощ".

Items marked * are being corrected with sticky labels in books sent out by Ruslan Limited after 29/9/08
